DESIGN FEE

On request

Customised for your plot, facing and Vastu needs.

ABOUT THIS DESIGN

A corner-plot building with open stilt parking at ground level and three floors of balconies above, in white, beige and grey with a red brick strip and leaf-pattern screens. The boundary wall with slatted gates wraps around the corner.

WHAT YOU GET

- 3D front elevation render
- Colours and finishes shown on the front
- Adapted to the width and floors of your home

HIGHLIGHTS

- Stilt parking at ground level
- Balconies on all three upper floors
- Terrace pergola
- Blue glass vertical strip
- Boundary wall with several gates
- Chamfered corner compound wall
- Box frames
- Ceiling spotlights
- White plaster
- Beige paint

HOW IT WORKS

01

Share your plot

Send your plot size, facing and requirements. The first consultation is free.

02

We customise

Our architects adapt the design to your plot, Vastu preferences and budget.

03

Build with us

Fixed rate per sq ft, stage-wise payments and site photo updates at every stage.
