

3D FRONT ELEVATION

Three-storey elevation with vertical fin screens

G+2

Design type 3D Front Elevation	Design code DS1100	Floors Three floors (G+2)
Style Modern		

DESIGN FEE

On request

Customised for your plot, facing and Vastu needs.

ABOUT THIS DESIGN

Three-storey elevation with a dark grey frame, beige bands and two long balconies screened by white vertical fins, plus a circular window opening on the top floor. An external staircase with white railing rises on the right and a plain white boundary wall hides most of the ground level.

WHAT YOU GET

- 3D front elevation render
- Colours and finishes shown on the front
- Adapted to the width and floors of your home

HIGHLIGHTS

- Two long balconies behind vertical fin screens
- Circular window opening
- External staircase with white railing
- Cantilevered upper floors over an open ground level
- Plain white boundary wall
- Terrace railing
- Head room on terrace
- Dark grey paint
- Beige paint
- White plaster

HOW IT WORKS

01

Share your plot

Send your plot size, facing and requirements. The first consultation is free.

02

We customise

Our architects adapt the design to your plot, Vastu preferences and budget.

03

Build with us

Fixed rate per sq ft, stage-wise payments and site photo updates at every stage.
