ABOUT THIS DESIGN

Ground and first floor plans for a wide, shallow plot that is not a rectangle: 74'-7" along the road, 26'-2" deep on one side and 29'-6" on the other. The building, with its parking bay and staircase, takes 53' of the front; a 21'-6" wide open area sits beside it. Each floor has a master bedroom with an attached toilet, a second bedroom, a drawing room, a dining hall and a kitchen. The first floor adds front balconies and an open tiled area over the parking.

WHAT YOU GET

- 2D plan of every floor, drawn in AutoCAD
